

bendigo amateur soccer league inc. year book 1999

The Bendigo Amateur Soccer League Inc. wish to thank their sponsors for assistance given to all levels of soccer in the Bendigo District.

Without sponsors all clubs and their members would not have the equipment or facilities they currently enjoy.

The Association ask that all soccer players, administrators and supporters do their best to support those sponsors who support soccer and in particular those who advertise in this Year Book.

FRONT COVER: Steve Martin, ex-Epsom Soccer Club star, currently playing NSL Ericsson Cup for Carlton Soccer Club.

1999 FOREWORD

Well another season is upon us already and I think most of the players are looking forward to the new season, especially those from the First Division, with the welcome return of Puckapunyal to the League after a long absence, and also what appears to be a good influx of players returning from other Leagues. This should ensure a top competition for season 1999.

We are also looking forward to the prospect of hosting a VSF Premier League match under lights at the Tom Flood Sports Centre. If this does eventuate, then we will obviously require a lot of assistance from everybody connected with the League to make this event a huge success for Bendigo.

Another milestone for Bendigo is the entering of an Under 13 team in the Melbourne competition this season. This is a huge undertaking by the parents of the players concerned and we hope that you will support this team in whatever way you can.

I wish all clubs and players the best for 1999 and would like to remind clubs and players that we organise and play soccer for everybody's enjoyment, and not just to win.

1998 IN REVIEW

Epsom Scorpions were the dominant team in the 1998 Division One championship, losing only one match during the competition to win their first title. Delivering on the promise shown in 1997 the young Scorpions displayed a very fast and attacking style of football which was refreshing to watch. With the best attacking and defensive records in the League, Epsom showed great consistency in taking out the Championship and being Runners Up in both the Knock Out Cup and League Cup. Epsom's Troy Hargadon narrowly took out the League's leading goal scorer from teammate Tom Cybula and Strathdale's Steve Visser.

After a slow start to the season Strathdale found great form coming home and were eventually Runners Up in the championship. In his final season, captain/coach Phil Tresize moulded his talented side into a winning combination which finished the year playing as well as any other team.

Colts United lost a few critical matches during the season which cost them dearly in ladder position. With Player of the Year, Jamie Brown, in great form up front, and surrounded by good young players, Colts on their day were the match of any team. With a return to full strength at season's end they showed their best form in taking out the Knock Out Cup and League Cup competitions.

Kyneton led the early part of the competition with good wins over more fancied sides. They showed a better combination of youth and experience than in previous seasons, but lost form in the latter part of the season, when injuries to key players upset the team balance.

Eaglehawk and Golden City were down in form from clubs with a strong record of success. Each were capable of upsetting the leading teams, but lacked the consistency needed to press for higher ladder positions. Spring Gully displayed one of the best defensive combinations in the League, with a wealth of experience at the back, but lacked the attacking power to capitalise on that strength.

In the Second Division it was again Epsom who led the competition. Their line-up included Player of the Year Mick Angove in midfield and a host of attacking options including Leading Goal scorer Stephen Turner. The Scorpions also had the best defensive record in the League. Along with their first premiership, Epsom also successfully defended their title of Knock Out Cup champions.

Golden City were in good form in 1998, with an experienced team proving difficult to defeat. Their success in being competition Runners Up was a well deserved reward for the consistency shown throughout the season.

1998 IN REVIEW cont'd

Strathdale fielded an experienced side also, but lacked the consistency of the leading teams. Good form at season's end saw them take out the Runners Up prize in the Knock Out Cup.

Colts were again tough to beat and with good young forwards running off their experienced midfield they scored plenty of goals. Losses in critical matches cost them ladder positions in a season which could have been more fruitful.

Spring Gully had a strong defensive record, but like their seniors, had trouble finding the opponents' net often enough to consistently win matches.

Eaglehawk, Cohuna and Castlemaine all struggled for depth. Capable of better results, they were hampered by inconsistency and had a disappointing season.

Kyneton struggled all year at the bottom of the ladder, but should take heart from some good results at season's end which resulted from a steady improvement throughout the year.

The Youth competition was one of the most evenly contested for years. Colts, Strathdale, Golden City, Spring Gully and Epsom were each capable of upsetting the other on any given day and, in the end, it was consistency which separated the sides.

Colts trailed Strathdale for much of the year, but came home with very strong performances in critical matches to take the championship and be Runners Up in the League Cup and Knock Out Cup. With many Youth players also filling positions in the senior teams on a regular basis, the Colts midfield fed plenty of balls forward to a polished attacking combination.

Strathdale looked the competition favourites early in the season, but lost a few critical matches, which forced them into the competition Runners Up position. The team was rewarded for effort in taking out the League Cup. Player of the Year Peter Hancox also took out the Leading Goalscorer award.

Golden City won the Knock Out Cup competition in a fitting reward for a good season. They were a strong side on their day, but inconsistency cost them ladder position.

Spring Gully and Epsom were very competitive throughout the season, but narrow losses in critical matches saw them finish the season empty handed. Kyneton struggled throughout and had a disappointing season.

A PREVIEW OF 1999

Ray Gill

It is always difficult to accurately predict the front runners in all competitions prior to the start of the season. New players have moved to the area and others have left. Some players have changed clubs and others have retired. It is however, an old adage that success breeds success. Good players always want to play for clubs who have a proven record for winning. Over the years we have seen Golden City, Colts and Eaglehawk all have a run of season after season dominating the Division One Championship. I believe it is now the turn of Epsom to continue the good form of the last two seasons. They will not have an easy run. Strathdale have claims to challenge strongly and Colts United are always a club with depth and a proud record in this division over many years. The great unknown team will be Puckapunyal. I understand that they have a team with a lot of experience and should be a very fit, strong side who could upset many well-fancied sides. Possibly Golden City, Spring Gully, Kyneton and Eaglehawk have recruited strongly and could prove strong competition. Only time will tell.

The Second Division is much more open. Most clubs will be promoting youth players, so it is hard to predict the front runners. Yet again, it is hard to ignore Epsom, who have incredible depth in reserve and youth teams, closely followed by Golden City and Colts. Strathdale is also a potential challenger.

The Women's Division was dominated for a few years by Eaglehawk. Last year Golden City knocked them off their pedestal. I understand Strathdale were recruiting strongly, so these two sides will be closely matched. Epsom could be a dark horse, with the development of some strong youngsters who will surprise some of the more experienced players from other sides.

In the Youth Division the quality of players will be extremely high. All teams will have a claim to favouritism. I understand all teams have large squads, so competition for places will be frantic, resulting in a closely fought division. It will be too close to call at this stage.

Everyone involved in Bendigo soccer is eagerly awaiting the start of season '99. The standard of play is improving every year, players benefiting from the Academy of Sport and the Summer Youth Squad. Good Luck to all for Season 1999.

**POWERADE SUMMER LEAGUE
YOUTH SQUAD 1998-99**

The Bendigo Summer Youth Squad was made up of the majority of players from the 1998 Under 16 Victorian Country Championship team. Three players from the U/15 coming into the Summer squad created a well balanced team for the Powerade Western Division competition. Bendigo was in a very competitive division with strong clubs such as Carlton, Preston Lions and Melbourne Knights.

Bendigo's first game was at home against Preston Lions. Bendigo started well to lead by one goal at half time. In the second half Preston pressured hard and scored two goals to win that game. Key players returned for the game against Carlton at Optus Oval as a curtain raiser to the Carlton vs. Canberra Cosmos NSL game. Bendigo lost, but the thrill of playing on Optus Oval was well worth the trip.

Bendigo received its first win by forfeit and now travelled to take on the top team Sunshine Heights. This game was the turning point for the Summer Youth Squad in a high scoring game. Bendigo scored first and then Sunshine Heights scored the next two goals. Bendigo showed determination and fight to come from behind and win 3-2. Bendigo came out firing and scored the first two goals against a stunned Melbourne Knights. In the second half, the Knights scored, but Bendigo refused to give up their lead and scored again. Some key defensive mistakes let the Knights back into the game. They scored twice and drew with Bendigo 3-3.

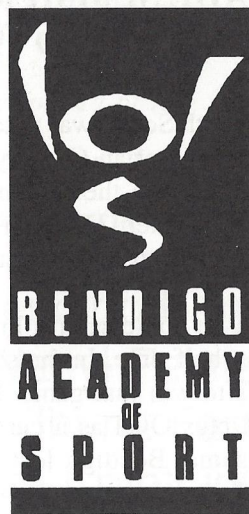

In the game of the competition Bendigo played the Victorian Country Development Squad. Country played all over Bendigo and scored early. The physical strength of Bendigo helped them to claw their way back into the game and draw level. Bendigo scored again to take the lead. Country again levelled, but Bendigo scored in the dying minutes to win the game 3-2.

Bendigo was now moving up the table. The game against Yarraville/Glen Eira was hard and physical. Bendigo scored first and maintained their lead against a persistent Yarraville attack.

In the last game of the competition Bendigo played Keilor Park at Keilor Park. This proved to be the best game the team had played since the championship in Ballarat. Bendigo dominated from the start winning 4-1 and finishing a creditable third in the Western division.

I wish the players success in soccer and special thanks to Cliff and Pam Bell and to all the parents for their support.

SOCCER

TALENT DEVELOPMENT PROGRAM

Proudly supported by

MCGOVERN'S
FURNITURE SUPERSTORE

and the

Bendigo Amateur Soccer League Inc.

BENDIGO ACADEMY OF SPORT

The Bendigo Amateur Soccer League again hosted a very successful Talent Development Program during 1998 in the Bendigo Academy of Sport.

Under the leadership of Head Coach Stephen Butler, assisted by Rob Martello and managed by Rowland Sowerby, the program was enjoyed by a squad of twenty-five boys and two girls.

The program was sponsored by McGovern's Furniture Superstore as the major sponsor, with the League also making a significant financial contribution. Our sincere appreciation is extended to each of these organisations, as, without their support, the cost of the program would have been beyond the reach of many players who participated.

A number of approaches was made for a second corporate sponsor, without success during the program, although one of these prospects is seriously considering joining the 1998/99 program.

Our thanks also goes to the Student Association of LaTrobe University for making available the excellent training facilities of LaTrobe University, Bendigo.

Athletes were primarily from Bendigo but a significant number travelled weekly to attend academy sessions - Swan Hill/Kerang - 3, Harcourt - 3, Cohuna - 1, Maryborough - 2.

Athletes were inducted on 6th December, with training commencing on 24th January. Despite a number of attempts, the program staff found it very difficult to organise many competitive opportunities for players, but the break in the program for Country Championship preparations was most appreciated.

The program drew to a close with a visit to the Australian Institute of Sport in Canberra, which included several matches against ACT junior sides. The majority of players attended the personal development sessions presented by members of the Academy's consulting panel.

Fitness tests again showed a marked improvement, in most cases, on the level of fitness of athletes. Many observers of League matches also commented favourably on the improved skill level of athletes, which is directly attributable to the commitment and ability of the program staff.

BENDIGO ACADEMY OF SPORT cont'd

Squad members attended a level 1 referees course with quite a number reaching the required standard. Our appreciation is extended to Neil McDermid for his contribution in presenting this course.

A level 1 coaches course was also presented by the Victorian Soccer Federation and, despite the difficulties in co-ordinating the course, was completed satisfactorily. It is unlikely a coaches course will be included in future programs.

Again, a number of Bendigo junior squads were dominated by current and past academy athletes. But the news that Steve Martin, a member of the first Academy Soccer program, will be the first Bendigo player to have played senior National League when he represents Carlton SC against Newcastle Breakers SC, is great justification for the philosophy of development programs such as this.

Congratulations Steve, we hope there are many more players to follow you in the years to come.

The graduation ceremony, held on 30th October, saw five athletes presented with Higher Achievement awards. Dane Butler, Adrian Kowal and David O'Brien were all selected in the Victorian Country U14 team along with Adam Bell and Trent Waterson, both of whom were also selected in the VSF U15 Development squad.

The Most Improved award went to Bradley Hercus with Cameron Miles winning the Coaches' Encouragement award.

It is with regret that we farewell Steve Butler and Rowland Sowerby from the program after two years of dedicated service and welcome Rob Martello as the new Head Coach.

Both the Academy and the Bendigo Amateur Soccer League extend their appreciation to Steve and Rowland for their past service and also thank Rob Martello for his contribution as Squad Coach.

We look forward to a new and exciting program in 1999 and the continuation of the development of the region's future young soccer stars.

Murray Mansfield, CEO

WOMEN'S SOCCER

Robyn Skvarc

The 1998 season saw Golden City take out both the League Championship and the Knock-out Cup. Their nearest rivals throughout the season, Strathdale, posted their best performance since entering the competition just a couple of years ago, taking out runners-up in both the championship competition and the Knock-out Cup. 1998 signalled significant change to the make-up of the championship competition with Eaglehawk's long and successful reign over the past six seasons coming to a close. Golden City's eventual success was forecast in 1997 when they were the only team to defeat Eaglehawk throughout that season. Golden City continued to go from strength to strength to take out the 1998 championship proudly and deservedly, with consistent play and convincing wins throughout the season.

Strathdale showed once again that they will continue to be a force in women's soccer in Bendigo. Strathdale's strength is the growing maturity and experience of the team, coupled with its youth and enthusiasm.

Spring Gully will be looking to strengthen after a rather flat season in '98. Although Spring Gully showed glimpses of its potential, taking Golden City to a hard fought two all draw in the middle of the season, it was not always able to take full advantage of the teams further down the ladder.

Colts United too, have the potential to surprise in '99. On occasion Colts challenged very strongly and with its ongoing development of younger players and recruitment will be very competitive in '99.

Castlemaine played some very tough matches in 1998 struggling to find consistent form, although they remained very hard to beat at home. Form, consistency and recruitment will be vital to give the depth needed to support the nucleus of younger team members.

Epsom again seemed unable to capitalise on their chances throughout the '98 season. Consistent form, ongoing development and encouragement of their players could see Epsom challenging for the top of the ladder positions. Kyneton once again had difficulties fielding a team and did not provide a serious competitive challenge to any other teams in 1998. Unfortunately, Kyneton will not be fielding a women's team in 1999.

Season '98 brought about a golden opportunity for Golden City. 1999 promises a new chance for teams to reach new heights with Strathdale and Colts United looking to be the main challengers to Golden City for the championship in 1999.

In 1998 the Country Championships were held in Albury/Wodonga. After a tough draw, Bendigo finished a very creditable second once again, underlining the strength and depth of women's soccer in Bendigo.

Country Championships 1998

An undermanned squad of only fifteen experienced Rep squad campaigners and enthusiastic young talent combined to give a full one hundred per cent commitment to the five games and a final in Shepparton for the Country Championship. In the first game against Amateur League we missed our chances and lost, but came back strongly to win easily against Geelong and Sunraysia. On Sunday against eventual winners, North Eastern, the ball fell well for Eastern, who took the points. In the last round robin game against Latrobe Valley, with only 12 players left to field a team we drew 1-1. On Monday we played off for the third place trophy against Latrobe. Everyone dug deep and we resoundingly defeated the Valley 4-0. Congratulations and thank you to all players for a courageous effort.

Special thanks to Bendigo's manager, Murray Hyde and the medics, Bailey Browning and Laurie Basten for organising and getting us on the pitch and congratulations to Alex McDermid for taking his chance on the pitch and being recognised and picked up by Gippsland Falcons. Thanks too, to the League for the opportunity to coach the team that I have represented and got so much enjoyment from over the years. (Phil Tresize)

A strong Bendigo team travelled to Albury in a valiant attempt to win back women's Country Championship honours. A combination of experienced and fresh young players promised a competitive edge, challenged only by a difficult draw, particularly on day two, with two games preceding the final against reigning champions Albury.

With the exception of an under-strength Latrobe Valley providing Bendigo with an easy 9-0 win, competition from other competitors, Ballarat, Victorian Development Squad, Albury and the ACT Development Squad, was fierce, resulting in very tight, low-scoring games. A leg weary Bendigo performed creditably in the final, though unable to overcome the fresh home team. Word has it that Coach Doug Robertson is already planning the '99 campaign.

The Junior Championships were hosted in extremely difficult windy, wet and cold conditions in Ballarat on July 4 and 5. The Under 16 squad capped off a successful weekend taking out the Country Championship title against hot favourite Albury/Wodonga. The Under 15 squad defeated Geelong and Albury/Wodonga, a feat not accomplished in the past four years. They finished Runners up to Latrobe Valley in the final, with captain, Peter Hancox, being awarded the Under 15 Championship Fair Player Award. The Under 14 squad also competed well, winning their first game 10-2 and ending as Runners-up to Albury/Wodonga in the final. Under 11's, 12's and 13's also acquitted themselves well in appalling conditions.

Soccer Referees Victoria - Bendigo Branch

The Branch in 1998 totalled 15 active and 2 non-active members. It has been encouraging to have our numbers relatively stable and we were able to call again on the services of several top referees from Melbourne. I must also thank Geoff Boyle (Secretary) and Keith Maybanks (Treasurer) for again doing their jobs with so much efficiency, dedication and commitment.

Members officiated last summer at the Bendigo home games in the Victorian Soccer Federation's Powerade Youth League, in Premier League games in Melbourne, at the Men's Victorian Country Championships in Tatura, at the Victorian Junior Country Championships in Ballarat and for Bendigo Amateur Soccer League matches throughout the winter.

Special congratulations must go to Geoff Boyle (Assistant Referee for the Premier League 1998 Preliminary Final) and to James Sowerby and Alex McDermid who both officiated in the most terrible rain and cold at the Junior Country Championships in Ballarat. Their dedicated and efficient performances were rewarded by their appointments to the middles for the U11 and U12 Finals. It was great too, to see our younger referees, James and Nathan Sowerby, team magnificently with our more experienced members in the Bendigo Amateur Soccer League Junior Knock Out Cup Finals (U12 - U15).

Coaches and players will perhaps be relieved to know that there have been little substantive changes to the Laws of the Game for this season. After several seasons of constant modifications, FIFA has this year done little more than change the wording of some laws to help make them more clearly understood.

May I also take this opportunity to wish the Bendigo Amateur Soccer League all the best for a successful and profitable 1999 season.

Neil McDermid
President

Occasional Referees - a Guide to the Laws of the Game

Prepared by Neil McDermid, Chairperson, State Referees' Coaching Panel

The object of the game is to score more goals than your opponent.

A goal is scored when the whole of the ball passes over the whole of the goal-line, whether on the ground or in the air, between the goalposts and under the cross-bar.

Similarly, for the ball to go out of play, the whole of the ball must cross the whole of the line.

The Laws of the Game have been devised to guarantee Fair Play so that players may enjoy their game in safety. It is the referee's job to see that

- goal-posts, playing surface and players' equipment must be safe
- players must wear shinguards
- spectators must not come on to the field during the game. Trainers/first-aiders must wait for you to call them on when the game has stopped.
- if you feel it is not safe to start/continue a game (any reason), you, as referee, have complete authority to abandon it. (And report the matter to the League)

Coaches: The Laws require coaches to stay within about 2 metres of the half-way line. They may coach, but if they become abusive to you or your assistants or to opposition players, you have the authority to send them right away from the touch-line.

Free-kicks:

- **Direct Free-kicks** (a goal can be scored direct against the **offending** team) are given if a player **recklessly, carelessly** or **with excessive force** commits any of the following offences **on an opponent**:

strikes/kicks/pushes/holds/trips/jumps at/
tackles from behind/charges dangerously
against a player who **deliberately** handles the ball.

and

These Direct Free-kicks are taken from the place where the offence occurred, unless it is by a defender in his own penalty area. In this case a penalty-kick is awarded.

- **Indirect Free-kicks** (which must touch a second player other than the kicker before it goes into goal) are awarded:

- [a] against a player who is not playing the ball and impedes the progress of a player who is trying to play the ball (ie *shepherding*), and for
- [b] offside.

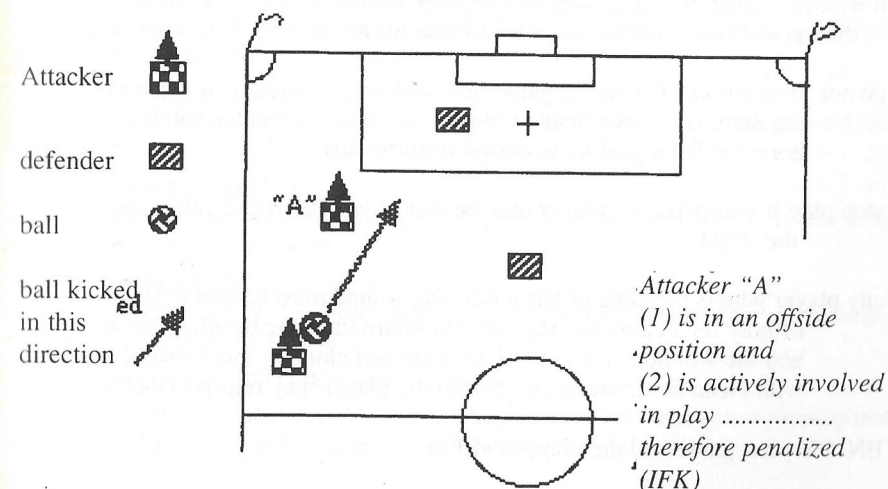

NB make sure opponents are 9 m from the ball at all free-kicks and at corners.

Offside: A player is in an offside position if s/he is nearer her/his opponents' goal than the ball, unless [a] s/he is in her/his own half of the field of play, or [b] s/he is not nearer their opponents' goal-line than at least two opponents (these include the goalkeeper).

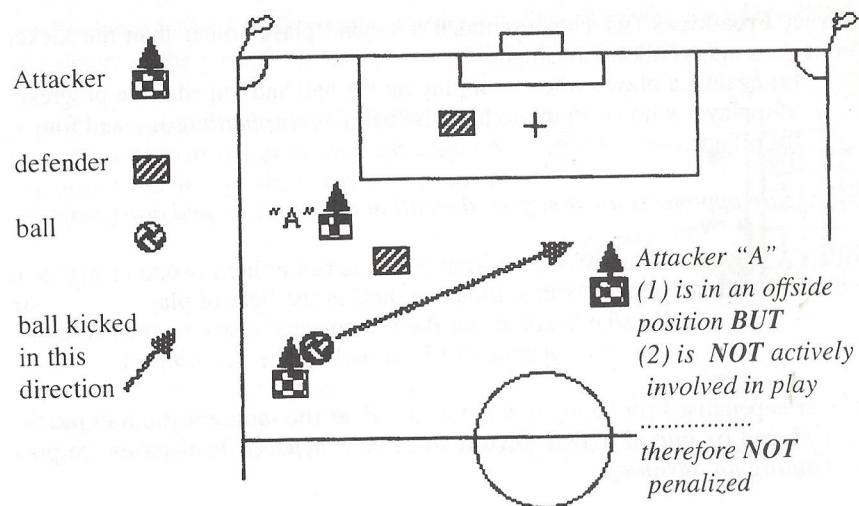

- A player is penalised for being in that position if, **at the moment the ball touches or is played by one of her/his own team**, s/he is **actively involved** in the play and is **gaining an advantage**.

- A player is not penalised just for being in an offside position if s/he receives the ball direct from a goal-kick, corner-kick, throw-in or a drop ball.

Example 1 - player penalised for being in an offside position

Example 2 - player not penalised even though s/he is in an offside position

Some final hints:

- at goal-kicks, the ball is not in play until it leaves the penalty area;
- if a player deliberately kicks with his foot (or throws from a throw-in) the ball to his own goal-keeper, the keeper may not use his hands; give IFK where handled.
- do not "over-officiate" - let the game flow without interruption as much as you can. (eg there is no need at all to blow your whistle when the ball has obviously gone out for a goal-kick, corner or throw-in)
- stop play if you believe a player may be seriously injured and call trainer(s) on to the field
- any player who is bleeding or has a weeping wound must be told to leave the field of play for treatment. He may not return until the bleeding has stopped and the wound is covered. Blood-stained clothing must also be replaced with clean shirt, shorts etc. before the player may return to the field.
- ENJOY your game and the players will too.

SOME RELEVANT JUNIOR GUIDELINES & NOTES

1. Age limits are UNDER 8, born on or after 1/1/91, UNDER 9, born on or after 1/1/90, UNDER 10, born on or after 1/1/89, UNDER 11, born on or after 1/1/88, UNDER 12, born on or after 1/1/87, UNDER 13, born on or after 1/1/86, UNDER 14, born on or after 1/1/85, UNDER 15, born on or after 1/1/84.
2. **GAME DURATION**

Under 15	2 x 40 mins	Under 10	2 x 25 mins
Under 14	2 x 35 mins	Under 9	2 x 25 mins
Under 13	2 x 35 mins	Under 8	2 x 20 mins
Under 12	2 x 30 mins		
Under 11	2 x 30 mins		5 min break in all age groups.
3. **INCOMPLETE TEAMS**
A minimum of 7 players is needed for a game. As soon as a team has the 7 players, the game must start. If after 15 minutes grace, a team has not the minimum players, they will forfeit the game at a score of 3 goals to nil.
4. **SUBSTITUTES**
Any number of substitutes may be used on an inter-change basis. Referee must be notified when substitution occurs. Substitute must not enter the playing area until substituted player has left the playing area. If a team has more than 11 players on the field, all goals scored by the offending team while the extra player/s are on the field will be cancelled. A "sent off" player can not be replaced under any circumstances.
5. **PLAYER OF THE YEAR VOTE**
No player of the year votes will be recorded.
6. **GAME REPORTS**
Result sheets and voting slips must be placed in the box at McDonalds Restaurant by 2.00 pm on the Saturday of the game, by an official of the first named club, except when Bendigo teams play in Castlemaine or Kyneton, when Bendigo team will be responsible for return of sheets.
7. **BALL SIZES**
Under 8 use size 3, Under 9,10,11,12 and 13 use size 4. Under 14 use size 5 Match balls to be provided by the first named team.
8. **CUP ELIGIBILITY**
Players must have played in at least 3 championship games during the year to be eligible for Cup games.
9. **REFEREES**
The first named club must supply the referee except where an official referee is assigned by the League.
10. **NON COMPETITIVE AGE GROUPS**
Under 8,9,10 and 11 are non-competitive to the extent that no championship table will exist and no Knockout Cup will be played.
11. **GAMES MUST FINISH ON TIME.**
